

The Examiner objected to claims 63 and 70 as being dependent upon a rejected base claim; these claims would be allowable if rewritten in independent form including all of the limitations of the base claim and any intervening claims.

Claims 59 to 62 and 64 to 69 stand finally rejected under 35 USC 102.

Claims 63 and 70 stand objected to but allowable if rewritten in independent form.

Claims 59 to 70 are in the case.

CLAIM FOR PRIORITY UNDER 35 USC 119

Applicants wish to perfect their claim for priority under 35 USC 119. It is noted that the certified copy has been filed in parent application Serial Number 70,503, filed August 28, 1979. Applicants requested the benefit of 35 USC 119 in the response filed on December 21, 1983. The Examiner apparently overlooked that request and Applicants again make the claim for priority under 35 USC 119.

REMARKS

Reconsideration of the application is respectfully requested in light of the following remarks and the accompanying declarations under 37 CFR 1.131 and 37 CFR 1.132.
